1. All excavating and construction enterprises in Szentes and Csongrád have been put to work on the construction of the new military airfield at the former town. A wide concrete road to the field is being constructed and a large contingent of forced laborers has been brought in for the project.
2. A military airfield for jet fighters is being built near Kecskemét, between the Kisbugac forest and the Nagybugac forest. State building Trust 36/2 has charge of the project.
